Errata to the paper
"On the reducibility of polynomials and in particular of trinomials"

by

A. SCHINZEL (Warszawa)

On page 2, line 16 from below should be replaced by

$$JF(y^{\nu_1}z^{\nu_2}, y^{\mu_1}z^{\mu_2}) = \text{const}\, F_1(y, z)^{e_1} F_2(y, z)^{e_2} \ldots F_r(y, z)^{e_r}.$$
