

**Corrections to “Asymptotic behaviour of some infinite  
products involving prime numbers”**

HSIEN-KUEI HWANG (Taipei)

The signs of the constants  $\gamma$  and  $c_j$  in Eq. (8) (page 341), Eq. (13) (page 342), and the last equation of page 347 should all be reversed. These mistakes originate from the sixth display on page 347: the term  $+ \Gamma'(\alpha)/\Gamma(\alpha)^2$  should read  $- \Gamma'(\alpha)/\Gamma(\alpha)^2$ .

The author is greatly indebted to Dr. Karl K. Norton for pointing out the errors.
