Correction to "On an integral of Marcinkiewicz"

Studia Math. 57 (1976), pp. 279–284

by

A. P. CALDERÓN (Chicago, Ill.)

In the paper,

on page 279^{10} the symbol P under the sign of integral should be removed,

on page 279_8 for $=$ read (twice) $\simeq$,

on page 281_{10} for $\int_{R^n} |(Kf)(x)|^r dx$ read $\int_{R^n} |(Kf)(x)|^r w(x) dx$,

on page 281_2 for gw^{-1} read $gw^{-1/r}$,

on page 282_3 for $[\ldots]^{\mu s_1/r_1}$ read $[\ldots]^{s_1/r_1}$,

on page 283_3 the symbol K on the right-hand side of the inequality should be removed,

on page 284^7 and 284^8 for c read e.
